## WASHINGTON LETTER.

(FROM OUR REGULAR CORRESPONDENT.) WASHINGTON, July 16, 1888.

Senator Palmer has received a letter from Gen. Greely, Chief Signal Officer, in which Gen. Greely apologizes for having stated to the Senate Committee on Agriculture that he believed Commissioner of Agriculture Coleman was using undue influence to get the weather bureau transferred to his department. Gen. Greely states that at the time he made the assertion he believed it to be true, but he has since learned that it is not. He asks Senator Palmer to assure the committee of his regret that he should unintentionally have placed a high official in a wrong light; in justice to himself he adds that be had no idea that any part of his DYSPEPSIA, AND remarks before the committee would be FEMALE TROUBLES. published, or he would never have used BAD EYES, the personalities which he did. He was under the impression that the meeting of the committee was a private one.

There is little probability that the and splendid display will be made of our House will ever agree to the Senste amendment to the Postoffice appropriation bill, appropriating \$800,000 to increase the mail facilities between this country and Central and South America. On Saturday, for the second time, the House by a very decided vote-141 to 57-

discussion again. Speeches were made will cure you if you will give it The Star gives the following as the rail- against its ratification by Senators Hoar road assessment in Pime county: The and Dolph, and in favor of ratification by Senators George and Pugh. The speeches made on both sides of the question are John S. for home consumption, as the fate of the real estate and improvements on right of treaty has been virtually settled long ago. The Republicans of the Senate a in opposition to its ratification.

Senator Edmunds has introduced a bill in the Senate which seems to be an excellent one. It provides for the estabtishment of a council of ordnance, to consist of three officers from the army, two or three from the navy, and two or three civilians. The duty of the council shall be to conduct examinations into all such Horse Shoeing questions relating by the fabrication and use of ordnance, projectiles and explo-Before any money appropriated for the fabrication and use of ordnance, projectiles or explosives or for experie therewith shall be expended, the particular systems or methods of fabrication, use into the subject and report its conclusions and recommendations to the department

Purlly Your Blood.

Purily Kour Blood.

Bodily and mental health depend upon a healthy condition of the blood. The blood particularly in the spring and summer months, becomes clogged with impurities, which poison it and generate disease. A harmless blood purifier is accessary to restore a healthy tone. The best purifier and tonic known is Swift's Specific (S. B. S.). Of its wonderful purifying and tonic powers we give a few testimentals:

Mr. Wm. A. Siebold, with George P. Rowell & Co., 10 Spruce Street, New York, writes: "I feel it my duty, for the benefit of others who may be afficted as I was, to write you this letter, which you can use in any way you choose. I suffered great pain from boils, all over my neck; I could not turn my head without acute pain. After trying all the usual remedies, and finding no ralief, I used one bottle S. S. and very coon I was entirely relieved of my 'Job's Comforters.' Now not a sign of my affliction can be seen."

Mr. M. H. Hamilia, Winston, N. C., writes: "I use it every spring. It always builds me my, giving me appetite and digestior, and enabling me to stand the hot summer days. On using it I soon become strong of body and enay of mind."

Mr. C. E. Mitchell, West 254 St.

mind."
Mr. C. E. Mitcheil, West 23d St.
Ferry, New York, writes: "I weighed
116 pounds when I began taking your
medicine, and now 152 pounds. I would
not be without S. S. for several times
its weight in gold."

OFFICE OF THE BOARD OF SUPERVISORS OF MOHAVE COUNTY, ARIZONA.

Notice is hereby given that the Board of Supervisors of Mohave county, Arizons, did on the 3rd day of July, 1888, adopt the following order:

On motion it was ordered that a new registration of the voters of Mohave county be made for the ensuing election (1888), and all voters are required to reregister, such re-registration being deemed necessary by the Board of Supervisors. Voting aye, Messrs. Crozier and Johnson. And the Clerk is directed to publish this order in the official paper of the county, in the manner and for the time required by law. by law.

By order of the Board of Supervisors.

Notice of Porfeiture.

To Guy W. McGriff:
You are hereby notified that I have expended one hundred dollars in labor and improvements upon the Dansby mining claim, situated in the Lost Basin Mining District, Mohave county, Arizona Territory and duly recorded in Book I, pages 101 and 102, Mohave county Mining Records. In order to hold said premises under the provisions of Section 2024, Revised Statutes of the United States, being the amount required to hold the same for the year ending December 31st, 1887.

And you are further notified that the proportion of said expenditure due from you is \$12.50, lawful money of the United States, and if within 90 days after the publication of this notice your fall or refuse to contribute your proportion of such expenditure as co-owner, your interest in said claim will become the property of the undersigned, under said section 2824.
